

Training Opportunities 2018-2019

Intelligent Materials

What do we mean by intelligent materials?

Come along and see why we value and are passionate about using objects that can be used in many different ways and are rich in learning opportunities. For us these resources include natural and recycled materials.

6th November 4.00-6.00pm at Houghton Community Nursery School
Cost £40

Reciprocal Relationships – The Golden Thread

Research tells us that children are highly motivated, intelligent learners who actively seek interactions with the people around them. It is therefore our role as practitioners to ensure that children feel known and valued as individuals.

When this happens, great things follow.

Tuesday 29th January 2019 4.00-6.00pm at Mill Hill Nursery School
Cost £40

Planning Books and Learning Stories

During the past few years Learning Stories and Planning Books have become intrinsic to the way we work. They help staff to gain a greater understanding of every child's level of development and enable staff to provide an environment that both offers appropriate challenge, emotionally and physically.

Tuesday 5th March 2019 4.00-6.00pm at Mill Hill Nursery School
Cost £40

All courses will be held as a twilight from 4.00pm-6.00pm:
Cost £40

To book a place please telephone 0191 584 6655 or
email: houghton.nursery@schools.sunderland.gov.uk

Training Opportunities continued 2018-2019

Working within Nature

Hear how Houghton Nursery is using weekly beach and forest visits to enhance and extend children's learning, and how the experiences are influencing how we use our outdoor learning environment

Tuesday 30th April 2019 4.00-6.00pm at Houghton Community Nursery School
Cost £40

Partners in Pedagogy Nursery Network

An opportunity to come and look around our learning environment when all of the children have gone home

Tuesday 7th May 2019 4.00-6.00pm at Mill Hill Nursery School
Cost £40

The Joy of 2 year olds

We will think about how we can provide a learning environment and opportunities that support 2 year olds to explore and discover the magic of today? We aim to capture how 2 year olds are unique, consider child development and why it is so vitally important to allow them time to explore, examine and investigate

Tuesday 11th June 2019 4.00-6.00pm at Houghton Community Nursery School
Cost £40

A Day in the Life of Houghton Community Nursery School Outstanding Practice in Action

The opportunity to be absorbed in our pedagogy and experience daily life in nursery. Shadow a member of staff for a full day to witness vast learning opportunities and outstanding practice.

Please contact nursery for available dates - Cost £100 for full day
